# Blessings

*Behind Every successful feat of action in human's life, there is blessings of some supernatural power. We believe in this philosophy and derive strength out of this to have a winning attitude, which we conjecture to be the underpinnings of our success in addition to sincere endeavor.*

*We get constant inspiration and emotional strength from "Dhuni Mata". Had her hands of blessings not been on us, the world would have become tough for us. Whatever we are today, we are because of her. We pray to Her to take us to the zenith of Success.*

# PRINCIPAL'S Message

- Dear Students and Parents,
- "Education is not preparation for life; Education is life itself" - John Dewey.
- BKDC college is a proud mission driven community providing a world class education, as it understands the fact that each student is different, as a person and as a learner. Here people are valued can fulfil their potential both as teachers and learners.
- I am proud to be a part of such an institution which develops positive environment between students, parents, teachers and thus encourages them for having a health partnership which ultimately leads to success.
- We firmly believe that education is a collaborative effort that involves professional administrators, committed teachers and motivate students. So we dedicate ourselves to this ideology to enlighten the students.
- We are group of diverse experiences and outlooks committed to excellence in preparing learners. Our institution believes in giving our students strong values along with a set of wings which may carry them far and wide. In other words our institution aims to make India powerful by increasing smart and confident citizens.

## LIBRARY

*In context of a higher education Institutions, a Library is considered to be a vital sub-unit as a learning resource. In today's high-tech learning environment, the library as a learning resource is taking up increasingly more academic space and time in the life of a learner. There are well stocked library with number of books, national and International journals. Well equiped digital Library keep the students to remain in touch with latest books and e journals.*

# Co - Curricular Activities

Co-curricular Activities are Activities that take place outside the classroom but reinforce or supplement classroom curriculum in some way. They are ungraded and do not offer any form of academic credit, but they do provide complementary learning of some form. Examples of co-curricular activities might include National Honor Society, Student council, sports teams, math clubs, chess clubs, talent shows, spelling bees, debates, writing competitions, mock trials, newspapers and drama productions. All of these activities take place outside the traditional classroom and offer no grade or academic credit, but they provide supplementary and complementary instruction and educational for students.

## Co-Curricular Advantages :-

Co-Curricular Activities can provide students with a lot of Interesting and important experiences outside the Traditional classroom.

Allowing students to explore strengths and talents outside of academics. Helping students develop stronger time-management and organizational skills. Giving Students the opportunity to build Friendships and participate in group activities outside of the tight circle of the regular classroom. Helping to build confidence and self-esteem. Providing a way to keep students supervised outside of College hours. Channelling their energies in positive directions rather than toward drug abuse or crime. Building skills that we are not necessarily taught in the classroom but are still important for the Future.

# SPORTS

BKDC has developed huge and well maintained playgrounds in all campuses for all-round development of students. Various outdoor games like Cricket, Football, Volleyball, Badminton, Basketball, Kho-Kho, Kabaddi, Handball, Weightlifting & Indoor Games Like Tables, Tennis, Chess, Carrom etc. are organized under the supervision of Sports Instructor. The Institutes keep on Organizing sports activities and inter college meets from time to time.
